WANTED—EVERYBODY TO KNOW THAT

THE BREVITY BASKET.

Filled With Brief Mention of Many Minor Events of Yesterday.

Mrs. Annie S., widow of the late Richard R. Thompson, died recently in Cape May, after a lingering illness, aged 51 years.

At the Union Bethel Historic and Literary association, this evening, the paper for discussion will be presented by Prof. R. J. Greener, entitled "Development of Race."

Detective Raff yesterday arrested E. B. Barum, agent of Devlin & Co., clothiers, of New York, as an unlicensed commercial agent, and he was released on paying the license tax of \$200.

Ignatius Kettle, colored, had his leg broken yesterday by the falling of a brick wall at North Capitol and H streets. He was removed to the Freedman's hospital by the police ambulance, where he died one hour after his arrival.

Dr. Purvis, the surgeon in charge of the Freedman's hospital, reports to the secretary of the interior that during the month of April 39 white males, 34 colored males, 10 white females and 25 colored females were admitted to the hospital. Total, 111. There were five births.

Yesterday morning a boy named Andrew Luckett, 12 years of age, living in the alley between Q and R and Half and South Capitol streets, was drowned in the eastern branch while endeavoring to get on board a boat. The body was recovered, and the coroner gave a certificate of accidental drowning.

Yesterday morning Alexander Freeman, aged 33 years, while engaged in the erection of a new building on New Jersey avenue, between K and L streets, fell from a plank on which he was walking and broke two ribs. He was removed by the police ambulance to his home on Franklin street, between O and P streets, where medical aid was summoned.

Base Ball.
The second game between the National and Deaf club, Philadelphia, was played on the Athletic grounds yesterday afternoon. The game was a picnic for the visitors during the first four innings, as Barclay, who played behind the bat in place of Baker, could not catch Barr's quick delivery, and the latter could not let himself out in consequence. The feature of the game was the playing of Pollard, the boy pitcher of the Deaf club. Only two base hits were made off his delivery, and the ball was only knocked out of the infield four times. White, Robinson, Gould, and Kalbfus played faultlessly. In the fifth inning Gould and Kalbfus succeeded Barr and Barclay as the batter, and the Deaf club did not succeed in making a run or a base hit during the remainder of the game. Mr. Hart, of the Waverly, umpired the game. The score by innings was as follows:
Deaf club..... 2 1 2 0 0 0 0 0 0 0
National..... 0 0 0 0 0 0 0 0 0 0
The National and Waverly play this afternoon.

The Stars of North Washington defeated the Columbian yesterday by a score of 9 to 5. The Standards defeated the Le Droit park nine yesterday afternoon by a score of 17 to 10. It will be gratifying news to every lover of base ball, horse racing, &c., to learn that Schooner has made arrangements to race his every evening full returns of all such sports.

Dr. R. V. PIERCE, Buffalo, N. Y.: Dear Sir—For many months I was a great sufferer. Physicians could afford me no relief. In my despair I commenced the use of your "Favorite Prescription." It speedily effected my entire and permanent cure. Yours thankfully,
MRS. PAUL R. BAXTER,
Iowa City, Ia.

After Burglars.
Early yesterday morning Private Officer Courtney was summoned to the corner of Sixteenth and T streets northwest by the blow of police whistle, and on responding promptly he was informed by Mrs. Earl, the wife of Lawyer Earl, who is away from the city at present, that she saw two men trying force an entrance through the kitchen window, and that on calling to them and receiving no reply she blew her whistle, when they darted into the yard in the rear of the house. Officer Courtney made a thorough search of the premises, but his search was fruitless. Mrs. Earl was ready for the villains, as she has a revolver and can and will use it if necessary.

ANGOSTURA BITTERS were prepared by Dr. J. G. B. Siegert for his private use. Their reputation is such to-day that they have become generally known as the best appetizing tonic. Beware of counterfeits. Ask your grocer or druggist for the genuine article, manufactured by Dr. J. G. B. Siegert & Sons.

An Old Mill Burned.
The old mill on Rock creek near the Woodberry Lane bridge, owned by Myra Clark Gaines and occupied by H. A. Linger as a mattress factory, took fire yesterday morning and burned to the ground. Nothing was left standing but some fragments of walls. The loss was about \$10,000, and the insurance \$3,500. The fire department was not available because of the situation and the distance.

An Economical Method.
I have a great many pattern suitings in stock, out of which may be cut a suit and an extra pair of pantaloons. Where such is the case the additional pair involves but a nominal expense, fills a want hitherto felt and is an economical method.

ANAKOBA, IOWA.—Dr. J. G. McGuire says: "I know Brown Iron Bitters is a good tonic and gives general satisfaction."

How to Make Money!

In this age of progress the only way to make money is to take advantage of the misfortunes of others and buy goods when people are forced to sell. The season is very backward, and many importers have suffered heavy losses on that account, and are willing to sell goods at any price rather than carry them over. The Palais Royal never loses an opportunity of investing in a bargain, and for the coming week we shall be able to offer better bargains in new and pretty goods than ever before. We wish ladies to bear in mind that the goods mentioned below are not old and shop-worn goods, but a fresh, new stock, purchased only last week, and placed on our counters at only a small advance on the cost. We believe in small profits and quick sales, and no lady who calls on us the coming week, and who appreciates a bargain, will go away empty handed.

In addition to the fine quality of this number, the splendid bleach and finish of these goods make them superior to any other make.

Another specialty of ours is a 48-inch Pure White Swiss Lawn, in a very fine quality, at 33c per yard. It is cheaper than 36-inch goods at 25c per yard, and launders so beautifully that it is preferred by many
